We will be closed on Sunday September 5th but will be open our regular hours (10-5) on Friday, Saturday, and Monday. Have a safe Labor Day and let's hope the sun comes out again!

Red Wagon Specials continue! We had so much fun with the red wagon while Pam was on vacation she has decided to continue. At least once a week (sometimes more) we will stock our red wagon with just about anything we feel like at the time and all for 35% off!

Introducing 2 new Block of the Month's:

Civil War Chronicles: 108"x108"

We are taking reservations for Judy Rothermel's latest Civil War commemorative quilt. We think this quilt is even more stunning than the Civil War Tribute! We will only have room for 20 spaces, so call to get on the list. This will begin in January and the price will be determined as soon as the patterns arrive in the store.

For more information about this quilt, go to <http://www.marcusbrothers.com> and click on the Civil War Chronicles BOM in the Quick Links section on the lower right hand side.

All Things Christmas: 52"x60"

Make your Christmas bright with this cheery quilt from Bunny Hill Designs. It is available as a BOM for 7 months or get the complete kit and have this quilt done in time for Christmas this year! Fabric kits are \$15/month for 6 months and the finishing kit is \$40 and includes borders, binding, and embellishing kit with buttons and ribbons. Complete kits are \$130.

Wooly Club:

Have you any wool? Whether you love to work with wool or have always wanted to learn, we have the perfect group for you! Terri and Tammy will be hosting this informal group meeting the 3rd Saturday of the month beginning in October. We will start with a small wool business card holder, and see where to go from there. Cost is \$15 and includes the pattern, wool, and floss. Sign up now as space is limited.
