Call us today...

*So how many of us committed to eating better and exercising more at the beginning of the year? I got off to a slow start, but think I'm on a better track now. We haven't had a quilt challenge in a while and I thought it would be the perfect no calorie treat as we wait for the snow to go away! Hope this will spark your imaginations--they need exercise too!*

## **It's Flowericious**

*This challenge was designed with Spring in mind! You get to interpret the title any way you want to. The rules are simple! A packet of 2 fat quarters and a piece of texture magic will be provided for \$9.00. You must use them in a recognizable amount. There are a variety of fat quarters to choose from on a 1st come basis (don't get the one you want???) Then it's even more of a challenge :). Directions for the texture magic will be provided. The finished quilt should not measure more than 120" around--for example 30"x30" or 24"x36". The quilts will be due on **May 1st** and will be hung at Deer Country Quilts for voting. We will have a People's Choice Award presented at a Spring Tea (TBA). You do not need to be present to be eligible to win. Prizes are guaranteed to be **FABULOUS!***

*Happy Quilting! Pam*
